Virtual Symposium

Join CCO's live, 90-minute Virtual Symposium, where expert faculty will demonstrate the use of HIV-ASSIST when making evidence-based ART decisions and will apply the tool to case discussions focused on applicability for European HCPs.

Agenda

- Introduction and demographic polling (10 minutes)
- Introduction to HIV-ASSIST (25 min)
- Applying HIV-ASSIST in Practice (40 min)
- Attendee questions answered by the experts (15 minutes)

Faculty

Josep M. Llibre, MD,
PhD

Maunank Shah, MD,
PhD

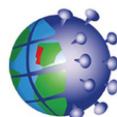

Stephanie Bjerrum, MD,
PhD, MPH

Once you register, you will receive an email with your login link to join the webinar on April 18.
